Dear Mr. Dietrich:

I am offering my full support of the "Safely Out" emergency preparedness program and wholeheartedly endorse your efforts to help the Natomas Unified School District community more effectively prepare for evacuation in the event of an emergency.

As we are well aware, our entire school district is located within a flood plain and it is imperative that we do as much as we can as a community to prepare for a disaster including floods.

I commend you for your commitment to providing residents with the "Safely Out" evacuation kit and am proud to join you in your efforts to ensure that our most vulnerable populations including the disabled, seniors and young children are successfully and safely evacuated during a disaster.

Again, I am pleased to fully support Citizen Voice's "Safely Out" program and thank you for your efforts to ensure the safety of the citizens of the Natomas Unified School District.

Sincerely,

  
Dr. Steve M. Farrar  
Superintendent
